## Her Journey's Just Begun

Don't think of her as gone away  
her journey's just begun,  
life holds so many facets  
this earth is only one.

Just think of her as resting  
from the sorrows and the tears  
in a place of warmth and comfort  
where there are no days and years.

Think how she must be wishing  
that we could know today  
how nothing but our sadness  
can really pass away.

And think of her as living  
in the hearts of those she touched...  
For nothing loved is ever lost  
and she was loved so much.
