### *Solitude*

*I need the quiet, so he drew me aside  
Into the shadows where we could confide;  
Away from the hustle where all the day long.  
I hurried and worried when active and strong.*

*I needed the quiet, though at first I rebelled.  
But gently, so gently, my cross he upheld,  
And whispered so sweetly of spiritual things,  
Though weakened in body my spirit took wings.  
To heights never dreamed of when active and gay.  
He loved me so gently, He drew me away.*
