

FOOT PRINTS

*One night I had a dream.
I dreamed I was walking
along the beach with the Lord...
Across the sky flashed scenes from my life.
For each scene, I noticed two sets
of footprints in the sand:
One belonging to me and the other to the Lord.
When the last scene of my life
flashed before me,
I looked back at the footprints in the sand.
I noticed that many times along the path
of my life there was only one set of footprints.
I also noticed that it happened
at the very lowest and saddest times in my life.
This really bothered me and
I questioned the Lord about it.
"Lord, you said that once I decided to follow you,
You'd walk with me all the way.
But I have noticed that during the most
troublesome times in my life,
there is only one set of footprints.
I don't understand why when I needed you most
you would leave me."
The Lord replied, "My son, my precious child,
I love you, and I would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*
