#### *Crossing the Bar*

*Sunset and evening star,  
And one clear call for me!  
And may there be no mourning of the bar,  
When I put out to sea;*

*But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep  
Turns again home.*

*Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell  
When I embark;*

*For though from out our bourne of Time and Place  
The Flood may bear me far  
I hope to see my Pilot face to face  
When I have crossed the bar.*

ALFRED TENNYSON
