

## Family Chain

They say memories are golden well  
maybe that is true.

I never wanted memories, Mother  
we only wanted you.

A million times we needed you, a  
million times we cried.

If love alone could have saved you,  
Mother you never would have died.

In life we loved you dearly; in death  
we love you still.

In our hearts you hold a place mother  
no one could ever fill.

If tears could build a stairway and  
heartache make a lane, we'd walk  
the path to heaven and bring you  
back again.

Our family chain is broken, and  
nothing seems the same.

But as God calls us one by one, the  
Chain will link again.
