- O B I T U A R Y -

It has been a different day today,
 The sun has lost a spark.
 The birds have lost their song.
 It has been a different day today,
 Because you are not really gone
 You are in our smiles, our tears,
 And our hearts.
 You touched so many in your life,
 And you touched so many in your passing
 It has been a different day today,
 And it hurts, without you.
